MEMORANDUM FOR: Deputy Director for Administration

FROM : Charles A. Bohrer, M. D.
Director of Medical Services

SUBJECT : Request for Additional Funds for
FY 1977 and FY 1978

1. The Office of Medical Services (OMS) has completed a long overdue review of its consultant fee schedule. This review shows that the current schedule is substantially lower than today's prevailing rates.

2. In order to provide for a more equitable remuneration to these loyal and long-time consultants, we have developed the following schedule which is more equitable and is in keeping with today's fees.

Step 1	\$75.00 per session
Step 2	\$100.00 per session
Step 3	\$110.00 per session
Step 4	\$125.00 per session

Two years of service is required before a consultant is eligible for an increase to the next step.

3. We estimate the new schedule will cost an additional \$115,000 for the balance of FY 1977 and an additional \$185,000 for FY 1978. Therefore, it is requested the OMS FY 1977 and FY 1978 authorization be increased by these amounts in order that we may implement this new schedule.
